### **Stadi za Maisha Educational Trust –Nairobi**

- Software Developer Intern
- April 2024 – Present
- Working in an industry which demands for tech skills has been a blessing to me. I have had a chance to learn, relearn and unlearn tech skills. Ed-Tech is a demanding ecosystem. It has a huge gap to be solved digitally. It has kept us busy grafting solutions as a team at Stadi za Maisha Educational Trust. From multi-tenant Learning Management System to Stadi Digital platform aiming to fast track education assessment. It has enhanced my presentation skills. Pitching to clients and listening to user feedback has been a daily dose to my diary.

### **KCA University Innovation Hub –Nairobi**

- Administrative Assistant
- January 2024 – December 2024
- Managing daily operations, Scheduling & documenting reports in the hub to support innovation programs, and facilitate communication. Co-ordinating events, and providing administrative support to enhance the hub's operational efficiency and stakeholder engagement made my diaries when working on this role.

### **KCAU School Of Technology – Nairobi.**

- Class Representative
- January 2024 – December 2024
- Serving as a liaison between students and faculty to address academic and administrative concerns. Organizing and communicating class schedules, facilitating discussions, and ensuring effective dissemination of information to all students.

### **RAI Alliance – Nairobi, Kenya.**

- May 2024 – December 2024
  - Remote Web Developer
  - Build a Landing page and API endpoints to collect users data. Build User Interface to showcase company mission and vision statement.
-
